Before and After School Club

'It's such a great resource for busy parents!'

We have a fantastic before/after school club which is open to all and staffed by some of our teaching assistants. The staff know the children really well and make sure they have a wonderful time before and after school in a safe and familiar environment.

Our provision is very convenient and flexible and presents an affordable childcare option for our families.

The children are given breakfast in the morning and a hearty snack after school. They use our after school club and have access to our huge grounds as well to stay active.

If you would like a place then please call us on 01625 428 222 or email the school office on admin@sjsmaccheshire.sch.uk.

DLA forms

School can support a DLA application by completing the relevant section of the form. All forms must be complete in full first before school complete their statement and this will be completed by relevant school staff.

School may choose not to complete their statement if we believe the information recorded on the form is inaccurate or misleading.

Photographer

We would like to update some photos on our school website and around the school. If you have any expertise in this area and would like to come and help, then please get in touch.

Attendance

Recent research has shown that missing just 10 days of year 6 reduced the likelihood of reaching the expected standard by around 25%.

The research showed that even a modest increase in your attendance has an effect on the attainment so please make every effort to have good attendance through the year.

If you child's attendance was....	Your child will have lost approximately.....	Or they would have missed approximately....
